

Academic Excellence Scholarships 2018-2019 Call

The educational project of **ELISAVA Barcelona School of Design and Engineering** has always boosted the **development of the academic journey** of their students promoting their skills in all areas so as to turn them into professionals prepared for providing answers to the new defiances and future challenges.

True to this methodology, ELISAVA calls the **Academic Excellence Scholarships** for the **Official Degrees** given at the School: the Degree in Design and the Degree in Engineering in Industrial Design (non-applicable to the Simultaneous Studies Programme), that recognizes and awards the merit of the students. Obtaining this kind of aid covers the **50% of the academic year cost** (except the Pompeu Fabra University Taxes and Fees).

Participation Requirements

- This scholarship is aimed to the **Bachillerato or Ciclo Formativo de Grado Superior (CFGS)** students.
- **New access** students that have a Bachillerato or a CFGS average score higher than 8.50 points.
- 2nd, 3rd and 4th year students with an excellent academic progression (from the 2017-2018 academic year).

Presentation, documentation and deadlines

The application of this scholarship will be carried out **until June 8th 2018** and you will have to present the following required documentation via email to grau@elisava.net:

- Application form that can be downloaded at the website www.elisava.net
- Certified photocopy of the academic record with the Bachillerato or CFGS average score
- Recommendation letter of the Director of the Bachillerato or CFGS centre.
- Handwritten motivation letter (500 words)

Selection process

The Management Council of ELISAVA will evaluate the documentation provided by the candidates. Once the school has evaluated it, it will contact the selected candidates in order to arrange a personal interview with the objective of expanding the information provided.

A maximum of 4 scholarships will be given. On Monday June 18th the School will notify the results to each one of the participants via email.

Access to the Degrees

If the students come from Bachillerato or CFGS studies, the access to the degrees will be carried out through the university pre-registration, so for guaranteeing the places allocation by the Generalitat de

Catalunya it is indispensable that the student formalise the pre-registration within the specified period and that they select ELISAVA as their first choice.

Once the scholarship has been awarded, the student will formalize their registration at ELISAVA within the specified deadline.

Scholarship Renewal. 2nd, 3rd and 4th year students from the 2017-2018 academic year

For renewing the scholarship it is indispensable that the students maintain a high-level performance. Therefore, the established requirements for keeping the scholarship are:

1. Class attendance higher than 90%
2. To complete the 100 % of ECTS credits of the previous academic year at first call (not to fail any subject)
3. To have an average score at the ELISAVA record higher than 8.50 points
4. To present a favoured report by the assigned tutor

Annually, the School will notify to the scholarship students the resolution concerning the renewal of their scholarships.
